16 Strictly the Sanction wanted first - is not financially acceptable - But for reasons given by the Senior Surgeon the increases proposed appear to be necessary. But one point is not clear. I am not sure if the addition on acct of high prices allowed some time back has been taken into acct for instance the pay (present) of a Warder is noted as Rs 11. An addition of Rs 3 was given on acct of high prices and I am doubtful if the present rate was only Rs 8. This point may be cleared up by ref to Comptr

OFFICE OF THE SENIOR SURGEON
WITH THE GOVERNMENT OF MYSORE,

Bangalore, 24th September 1923

COMPTROLLER'S OFFICE
25 SEP 1923
* BA... *

From

The *Senior Surgeon in Mysore,*
Bangalore.

To

The Secretary to Government of
H.H. the Maharaja of Mysore,
Revenue Department, Bangalore

THROUGH THE COMPTROLLER TO THE GOVERNMENT OF MYSORE,
Bangalore.

Sir,

I have the honour to forward herewith a proposition statement for the revision of establishment of the Leper Hospital, Bangalore, and to state that the necessity for the revision is explained in the Medical Officer's letter Nos.322 and 87 dated 5th March and 12th September 1923(copies enclosed). Of all contageous and incurable diseases, Leprosy is the most dreadful and repulsive one and the menials who attend on the unfortunate suffering from this disease have to undergo

1. Letter No. 322 dated 5th March 1923 from the Medical Officer, Leper Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to submit herewith in original the representation made by the menial establishment both pensionable and non-pensionable attached to the Leper Asylum, expressing their greivance that their pay is not adequate to the dirty and risksome work they are doing. They submit that the pay of their brother menials of the Epidemic Diseases Hospital are much higher than they are getting. I beg to enclose herein statement showing the original pay - prior to their getting the additional High price allowance added to their pay and the present pay they are in receipt of after the addition of consolidated allowance and a proposition of statement of the pay they may be allowed to get now.

Furthermore, Sir, you know just as well as I do that it is hard to get servants to work in the Leper Asylum unless they are given some tempting paycommensurating with the filthy and risksome work they do.

Necessary provision has been made in theyear 1923-24 submitted to your office with this office No.245 dated 12th January 1923.

Under the circumstances I beg to request that you will kindly make a strong recommendation to the Government in this behalf and obtain favorable - orders thereon.

****

2. Letter from the menials staff of the Leper Asylum to the Senior Surgeon referred to in the above letter.

We, the undersigned, beg to bring the following few lines into your deep and benigh consideration-
